Experience

Web Development Intern — InLighnX Global Pvt. Ltd. | May 2025 – July 2025

- Built multiple React.js applications including a real-time Digital Clock, interactive To-Do app, and Notes app using functional components, Hooks, and responsive design.
- Designed and deployed a personal portfolio website with HTML, CSS, and JavaScript featuring smooth navigation and resume download functionality.
- Developed Latte & Literature, a MERN stack e-commerce platform with user authentication, admin dashboard, shopping cart, and curated Book & Coffee Bundles.
- Implemented modular, reusable components and user-friendly UI, ensuring scalability and maintainability.

Education

SANGAMESHWAR COLLEGE (AUTONOMOUS), SOLAPUR

MSc. Computer Science 2024 – 2026

SANGAMESHWAR COLLEGE (AUTONOMOUS), SOLAPUR

Bachelor of Computer Application: CGPA – 9.51/10 2022 – 2023

Technical Skills

Programming & Development: Java, PHP, JavaScript (ES6+), React.js, Node.js, Express.js, HTML5, CSS3, MySQL, MongoDB, SQLite

Frameworks & Tools: VS Code, Postman

Other Skills: Responsive Design, UI/UX Principles, Problem-Solving, Team Collaboration.

Projects

Latte & Literature (MERN Stack E-commerce)

Built a full-stack e-commerce platform with user login, admin panel, shopping cart, and product bundles. Applied MongoDB, Express.js, React.js, and Node.js.

BelleSkin (Android App)

Shopping application built using Android (frontend), Java (backend), and SQLite database. Implemented product catalog and checkout flow.

(Developed collaboratively with classmate as part of academic coursework)

Student Management System (Field Project with College Collaboration)

Developed a field project using PHP & MySQL for efficient student data management and reporting. Conducted requirement discussions with a local college to simulate real-world deployment.

(Developed collaboratively with classmate as part of academic coursework)

Portfolio Website

Personal responsive website with smooth navigation and downloadable resume option.

Productivity Tools

Created React apps including a real-time Digital Clock, To-Do List, and Notes App.
